ii. Executive Summary of the Annual PHA Plan

[24CFRPart903.79(r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Nevada Rural Housing Authority has prepared the Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements. The plan describes the Housing Authority, its mission and strategy for addressing the housing needs of low-income and very-low income families in rural Nevada.

Nevada Rural Housing Authority traces its origin to Nevada Revised Statutes Chapter 315.960 – 315.996, the 1973 Rural Housing Authority Law.

The primary objective of the Housing Authority is to provide safe, decent and affordable housing for low-income families in rural Nevada. The Housing Authority has the responsibility for planning, constructing, purchasing and managing properties using a variety of affordable housing programs. We also administer Section 8 Housing Choice Voucher to 1,471 families living in housing that is privately owned. Overall, the Housing Authority provides assistance to more than 4,500 persons living in 1,175 units located throughout rural Nevada.

Federal laws establish the rent structure of the housing programs administered by the Housing Authority and require that the family income be verified annually. Federal Regulations also impact the selection of program participants, occupancy, lease and hearing procedures.

In our Five -Year Plan, the Housing Authority recognizes the need for housing for persons with disabilities, elderly and large families. Our goal is to continue to apply for additional housing choice vouchers and to acquire USDA Rural Development 515 units when possible.

The Authority's Plan will be thoroughly reviewed by a Resident Advisory Council, and their comments will be summarized and included in Resident Comments.

Housing Needs of Families on the Waiting List

Is the waiting list closed (select one)? ☒ No ☐ Yes

If yes:

How long has it been closed (# of months)?

Does the PHA expect to re-open the list in the PHA Plan year? ☐ No ☐ Yes

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The Authority will work closely with families in rural Nevada and on the waiting list to determine if the family has unmet needs. If there is a need that the Authority can address we will assist them, if not we refer them to the agency that will be able to help them.

Although our waiting list is currently open, we offer alternative choices to each person asking to apply. We furnish them with names and addresses of other options we are aware of.
